

Sewer

Summary

Hermiston residents enjoy the second-lowest monthly sewer bills among the surveyed cities.

Comparison

Sewer rates are much more simple to compare across jurisdictions because most cities simply charge one base rate for residential units, irrespective of usage. Therefore, a straight-across comparison is possible.

Hermiston residents pay 11% more than residents of Baker City for sewer service, but pay at least 44% less than residents of any of the other surveyed cities.

Monthly Sewer Charges by City
