SUBJECT:
Resolution 2023
Install "STOP" Sign

Subject

Resolution 2023: Install a "STOP" sign west bound on Joshua Court at SW 10th Street

Summary and Background

I received a letter requesting a stop sign at this location. According to Mr. Tiede there have been some near misses at this intersection. There is a post already in place displaying the street sign. This is coming out of a cul-de-sac and there is already a stop sign east bound on the opposing corner at this intersection.

Fiscal Information

Installation and materials will have a financial impact of \$150.00.

Alternatives and Recommendation

Alternatives

Do not install "STOP" sign.

Recommendation

Install a "STOP" sign at Joshua Court and SW 10th Street

Requested Action/Motion

Motion to approve installation of a "STOP" sign at Joshua Court and SW 10th Street.

I would like to request a stop sign located at Joshua Court & 10th street. The area is quite dangerous as cars tend to come into Joshua Ct. then turn around and speed out when they realize its just a cul-de sac. Also some of the locals go out onto 10th pretty fast ,and don't slow down. There have been close calls. A stop sign would help.

Thank you.
